We pride ourselves on our committed and dedicated staff who consistently go the extra mile for our residents. We are fully accredited by the Aged Care Quality and Safety Commission.

## Location

Wescott is a beautiful aged care home situated on the picturesque Stockton Peninsula featuring lovely water views. The home has over 100 beds and is located moments from Stockton Beach and close to Newcastle.

## Dining

Trained in-house chefs prepare tasty, nutritious meals for our residents. Menus change with the season and we use only the freshest, highest quality ingredients. We offer choice at every meal so there's something for everyone. Ask to see our menus, we're very proud of them.

## Beautiful interiors

Wescott features interiors by noted design studio, Gilmore Interior Design who have created a warm, tranquil environment inspired by the home's coastal location. Every spacious bedroom has its own ensuite.

## Outdoor areas

Beautifully maintained outdoor gardens are available for the enjoyment of Wescott residents. We also have communal balconies so residents can enjoy the fresh air, bask in the sunshine and take in the superb water views. A historic church is also on-site.

## Activities

We offer a range of recreational activities to fill your days organised by our full-time recreational officer. You can be as busy as you like or as relaxed as you want to be.
