

PAC Services – Paddington

Located in the heart of sought-after Paddington in Sydney's Eastern Suburbs, this 5-Star residential home is a stunning, purpose-built facility offering resort-style accommodation for residents requiring a higher level of care.

Entrance to the home is through a stunning entrance vestibule with a coffee shop where residents and their families are encouraged to mix and socialise. Its thoughtful design includes generous living areas, separate communal dining rooms, an activities room, library, hairdressing salon, courtyards and balconies – many overlooking the landscaped parks and gardens. The residential care home is co-located with our retirement village “The Terraces” which is directly next door.

In our memory support unit, residents live in a secure environment whilst still enabling them to move about at will - including a spacious garden where they can enjoy the fresh air and leisurely strolls throughout the day.
